|------------|--|----------|-----------|
| 200301     | PROfiler Spare Logger 28mm 433MHz                            |          |           |
| 200302     | PROfiler Spare 28mm Heat Barrier                             |          |           |
| 200303     | PROfiler Spare Download Lead                                 |          |           |
| 200304     | PROfiler Spare 433MHz PC Transceiver (inc. Antenna)          |          |           |
| 200305     | PROfiler Spare 433MHz PC Transceiver Antenna                 |          |           |
| 200306     | PROfiler Spare 433MHz Logger Antenna                         |          |           |
| 200307     | Spare Thermocouples 0.2mm x 0.5m (pk of 6)                   |          |           |
| 200308     | PROfiler Spare NiMh Batteries for 35mm Logger                |          |           |
| 200309     | PROfiler Spare PC RS232 Lead                                 |          |           |
| 200310     | PROfiler Spare UK PSU Power Supply                           |          |           |
| 200311     | PROfiler Spare Euro PSU Power Supply                         |          |           |
| 200312     | PROfiler Spare US PSU Power supply                           |          |           |
| 200313     | PROwave Accessory Base Pallet                                |          |           |
| 200314     | PROpredict SOFTWARE UPGRADE                                  |          |           |
| 200315     | PROwave Accessory 3 Pallet Extender"                         |          |           |
| 200316     | PROwave Accessory 1.5m PTFE Insulated Themocouple pk of 6    |          |           |
| 200317     | PROwave Accessory 1.5m Glass Fibre Insul Themocouple pk of 6 |          |           |
| 200318     | PROfiler Spare NiMh Batteries for 28mm Logger                |          |           |
| 200319     | PROwave Spare Pallet Stretched #1                            |          |           |
| 200320     | PROwave Spare Pallet Stretched #2                            |          |           |
| 200321     | PROwave Spare Pallet Stretched #3                            |          |           |
| 200322     | PROwave Earthing Kit   |          |           |
| 200323     | PROfiler Spare 916MHz PC Transceiver (inc. Antenna)          |          |           |
| 200324     | Thermal Barrier (350 Degrees for 10 mins.)                   |          |           |
| 200325     | PROwave Spare Pallet Stretched #1 Fully Customised           |          |           |
| 200326     | 0.5M Thermcouple PTFE (Pk of 9)                              |          |           |
| 200327     | PROfiler Spare Logger 28mm Non-RF S/N ****                   |          |           |
| 200328     | PROwave Accessory Pallet Extender to 400mm                   |          |           |
| 200329     | Replacement PROwave Lead                                     |          |           |
| 200330     | Spare Thermocouples 0.2mm x 1m (pk of 6)                     |          |           |
| 200331     | PROfiler Spare Carry Case                                    |          |           |
| 200332     | Spare Thermocouples 0.2mm x 3m (pk of 6)                     |          |           |
| 200333     | Spare Thermocouples 0.2mm x 5m PTFE (pk of 6)                |          |           |
| 200334     | Spare Batteries for 916Mhz Datalogger                        |          |           |
| 200335     | Spare Thermocouples 1.5 mtr (9 pack)                         |          |           |
| 200336     | PROfiler Spare Aluminium Tape 12mm x 100M Reel               |          |           |
| 200337     | 0.5m Thermocouple Wire (pk of 6)                             |          |           |
| 200338     | PROfiler USB to RS232 Serial Adapter                         |          |           |
| 200339     | Fibreglass InsTC Cable Single Core 100M Reel                 |          |           |
| 200340     | Spare Insulation Panel for 28mm Heatbarrier                  |          |           |
| 200341     | Spare Thermocouples 0.315mm x 0.5m (pk of 6)                 |          |           |
| 200350     | 0.6M Glass Fibre Thermcouple (Pk of 6)                       |          |           |
| 200351     | 1M Glass Fibre Thermocouple (Pk of 6)                        |          |           |
| 200352     | 2M Glass Fibre Thermocouple (Pk of 6)                        |          |           |
| 200353     | 3m Glass Fibre Thermocouples (pk of 6)                       |          |           |
| 200354     | 0.5M Glass Fibre Thermcouple assembly                        |          |           |
| 200355     | 5m Glass Fibre Thermocouples (pk of 6)                       |          |           |
| 200356     | 7m Glass Fibre Thermocouples (pk of 6)                       |          |           |
| 200357     | Type K pointed tip probe, 600mm fibreglass 6 pk              |          |           |
| 200358     | Spare Thermocouples 0.508mm x 0.5m (pk of 6)                 |          |           |
| 200400     | Profiler Adjustable Carrier                                  |          |           |
| 200413     | PROfiler 6 Channel Calibration Service                       |          |           |
| 200414     | PROfiler User Calibration Kit                                |          |           |
| 200415     | PROfiler Ultraslim Calibration Service                       |          |           |
| 200501     | SPARE BATTERIES (ULTRASLIM LOGGERS)                          |          |           |
| 200510     | Ultraslim Enhanced Heat Barrier 360 x 100 x 50mm             |          |           |
| 200561     | SPARE DOWNLOAD LEAD (ULTRASLIM LOGGERS)                      |          |           |
| 200562     | Ultraslim Spare plastic enclosure (No fixtures or labels)    |          |           |
| 200563     | Ultraslim Spare plastic enclosure (With fixtures and labels) |          |           |
| 200564     | PROfiler Spare Ultraslim 9-Channel Heat Barrier              |          |           |
| 200565     | PROfiler Spare Ultraslim Datalogger                          |          |           |
| 200566     | SPARE DOWNLOAD LEAD (ULTRASLIM LOGGERS) V2                   |          |           |
| 200567     | Spare Ultraslim V2 Logger PCB Assembly                       |          |           |
